This James Graves was a son of John Graves who served in the Revolutionary War and was a brother of my grandfather Joseph Graves. James Graves lived in the Bullittsburg neighborhood. Stephen Graves granddaughter who is a daughter of Asa Cason told me she remembered hearing her mother say where they lived. I have studied it and can think of no place only the place now owned by the Willis heirs but this is guess work. My grandfather's brother Edward lived and died where Will Riley died.

Mount Pleasant Church of Predestinarian Baptist was organised on the first Saturday in October, 1840.)

Articles of faith of Mt. Pleasant Church

1st. We believe in only one living and true self existent and eternal God who is everlasting and supreme.

2nd. We believe in the trinity of God declared in the scriptures The Father. The Word (or son) and the Holy Ghost and that these three are one.

3rd. We believe that the scriptures of the old and new testaments are the words of God and the only infallible rule of christian faith and practice.

1442984

4th. We believe that man was made upright and placed under the law of obedience to his Creator in which state he represented all his posterity and had power to comply with all requirements of the law , but not being immutable therefore he did willingly trangress the law of God whereupon he became real in tress-passes and in sins and judgment came upon all men to condem-nation.

5th. We believe that God according to his foreknowledge and elect-ing love in Christ Jesus predestinate his people to life according as he hath chosen us in him before the foundation of the world.

6th. We believe that Christ did enter into a covenant of grace in eternity with the father as head and representative of his people and came forward at the set time and took into union in his divine a body like ours, yet without sin and did make an atoning sacrifice to divine justice as he said on the cross it is finished, therefore he is exalted a Prince and Saviour to give repentance to Israel and emission of sins.

7th. We believe that God calls and qualifies men to preach his Gospel and to attend his ordinances in his church on earth whom he has promised to be with to the end of the world.

8th. We believe that God calls his people by his holy spirit to life and a true knowledge of their sins and prepares the mind for the reception ofthe Saviour as revealed in the Gospel. The Saviour said he shall take the things of mine and shew them unto you. The holy spirit thus acts as a sovreign .(The creature being made entirely willing) to deliver them from the power of darkness and translate them into the kingdom of Christ.

9th. We believe that Baptism is an ordinance of the new Testament to be administered by an authorized minister of the Gospel who has himself been baptised. To none but heaven born subject upon a confession of their faith in Jesus and that the only made is immersion.

10th. We believe the Lords supper is an ordinance of the Gospel instituted by our Saviour and should be attended to by his Church to shew forth his death until he come.
